Subject: **IAPA SMOKER**

This year's 75th IAPA Annual Meeting will be held Monday & Tuesday, March 12-13, 2012, at the President Abraham Lincoln Hotel in Springfield, Illinois.

Once again, we are asking Associate Members, Asphalt Suppliers, Major Suppliers, Regular Members, Consulting Engineers and Emulsion Suppliers to help support the Annual Smoker. We invite over 1000 public officials and employees to be our guests. Legislators, Department Heads and other decision makers, vital to our industry, will be in attendance. None of this would be possible without your support.

We have NOT increased the cost of sponsorship this year - it remains at \$175. We do need your checks (or pledges) no later than February 27th to allow us to list your companies name on our banner. Thanks for your support. See you at the meeting!
